PASSENGER SAFETY  
TIPS / FOR YOUR  
SAFETY (H.S.R.)

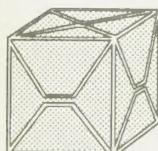

# PASSENGER SAFETY TIPS

Seeing eye and hearing ear dogs are permitted on board any vehicle at any time. If the bus is not crowded, and other passengers are not inconvenienced, you may carry a small lap dog, or any other type of small pet contained in an animal-carrier device.

Not many people would appreciate having a cup of coffee spilled on them. That's why HSR prohibits open cans, bottles, or beverage containers on board any bus. The same applies to food of any type. ***In short, no eating or drinking!***

Bulky bags and packages are OK with us - provided we have enough space on board, and the safety of your fellow passengers is not threatened.

With the winter sports season almost upon us, please remember that your skiing and hockey gear must be properly secured and bound in an equipment bag.

Babies in buggies on buses.  
No problem, as long as the  
bus isn't busy. For safety rea-  
sons, buggies **MUST** be col-  
lapsed (please remove junior  
first!) and taken to the rear of  
the bus.

## FOR YOUR SAFETY

*"I'm on my way to the vet, can I take my cat on the bus?"*

*"Is it OK to drink a can of pop on board the bus?"*

*"I'm going on a skiing trip, can I take my skis on the bus?"*

These are just some of the questions that HSR operators and information staff are asked every day. In most cases, simple common sense applies. For example, a pair of unbound skis on board a busy bus could be considered a lethal weapon.

If an HSR operator tells you, "No, I'm sorry, you cannot bring that on board this bus," then it is usually for a very good reason. Our primary concern is the health and safety of each and every passenger travelling on our buses. Yes, that's right, we're not just being awkward!

The information overleaf provides a general overview of what you can and cannot take, or do, on board an HSR bus. Again, in most cases, simple common sense applies.

If you have a specific question, or would like further information on HSR's Passenger Safety Policy, please give us a call us at 527-4441.
